The body of a farmer's daughter is far more HEALTHIER than a normal woman's...
All the legends about your beautiful breasts are certainly the truth...
PLEASE DON'T HARM MY DAUGHTER!!! SHE'LL SOON BE WED!!!
Hm?
Well, then you have my deepest congratulations....

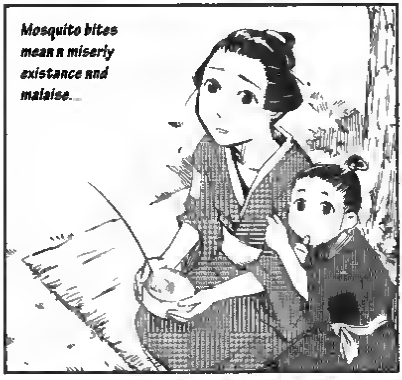
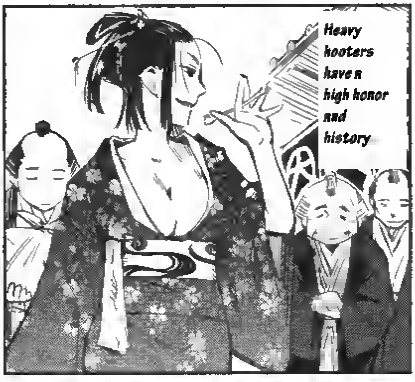
『乳こそがこの世の理』
"Tits make the world go round"



Mosquito bites mean a miserly existance and malaise...



Heavy hooters have a high honor and history

And under this government, there was one group of samurai, sworn to fight and hoard the powers of the "Titspirit," keeping the mounting mammaries of the motherland Japan in check...
Our story begins in the Edo period, with the Tokugawa Shoganate firmly in control of Japan...

"Titspirit"

The Titspirit Clan"
「魔乳一族」
Deep within their hidden halls lies a magic scroll that teaches the way of taking the tits of others away ...
Their secret "Tittie Thrust" can transfer breasts instantly

Chifusa emerges from her homeland...

The town of the Titspirit cian...
Shit...
They may have surrounded me...

Take this, BITCH !!!

KAEDE, is it you?
Chifusa !!!
Tell me why !!!
Why did you just toss your home and all of us away???
Chifusa, WAIT... please ...

You can't leave your beloved Kaede here all alone, Chifusa!

She took a dive, huh?
Kage fusa ??
Hahaha! Don't make me fuckin' laugh ...
Even though Chifusa has es- caped be- fore. she was shot.
She's dead
Your littie attraction makes you an accomplice to your little friend... And we'll use that againet you ...
Face it... Your aes ie totally out of luck...
She stole the secret scroll of Titepirit and you want me to believe she is dead now?? Sounds timely...
And I coul give a ehit if Chifusa got the ecroll and got her aes ehot up like the amateur she is...
The tupidest hit i've eard. even fter seein er "miracle escapes"

You're gonna feel twice as lonely for betraying OUR MASTER!
AND I'LL PLEASURE YOU MORE THAN CHIFUSA EVER COULD!!

Kaede, you come home...
Hah...
Chi fusa ~!
We have to keep our eyes on all of the fucking traitors!!

So here you go... eat up..
Thank you for your kind words but you must eat.
Is it really Ok? My fever has gone down and i simply don't eat that much food....
You will be stronger!
カチャ カチャ
Do you live alone here?
Yes, well my mother and father lived with me but...
...
Ah!
I'm extremely sorry, I was just looking and ....

They were destroyed by a Titspirit stealing samurai...
After mine were stolen my mother couldn't take the loss...
My father soon passed as well, burdened by my lack of my two "burdens up front"...
And now only i remain here ....alone...
LOOK IF YOU WILL...
My bountiful breaste were taken from me.... and now these two trifling knobs of flesh are all that remain!!
...
I'm sorry ...

If I were to guess at the culprit.... I am sure it is one of the samurai of the Tit-spirit Clan...
And your breasts ... Now their beauty is hidden from the world, but they must have been full and beautiful...
Yes, and to be frank, the day they were taken reappears in my dreams often...
Ug...

EVEN MY GROOM TO BE LEFT ME!!!
THE PEOPLE OF YOUR CLAN STOLE MY BREASTS FROM ME!!!
Sorry
I do owe you for the food and stay...
Don't worry about that, it's water under the bri..!
...I..... I'm so sorry for what I've done Trying to...

Well, well ...
How are your folks?
!
Aren't you that girl i played around with a while back?
...
I had heard of "breast bandits" before... marauding the village around our clan's area in search of large and larger tits to take away, but I never believed...
What the fuck were you trying to accomplish?
LEADER !!

it looks like this is the only answer you have to give me...
Strange that a traitor whore like you would have so much to say about ME!!
Your technique, which consists of simply swinging your sword faithfully during practice will rot before my effortless skill..!
!
Are you actually going to strike?

Seems like your father had the same worthless spirit as you...
I'm actually glad your cisared out of the clan, thankful even....
And I'll use this lady's land to cut you down and return our sacred scroll to our clan!!!
And I'll do it even without the vision your father had for our clan!!!

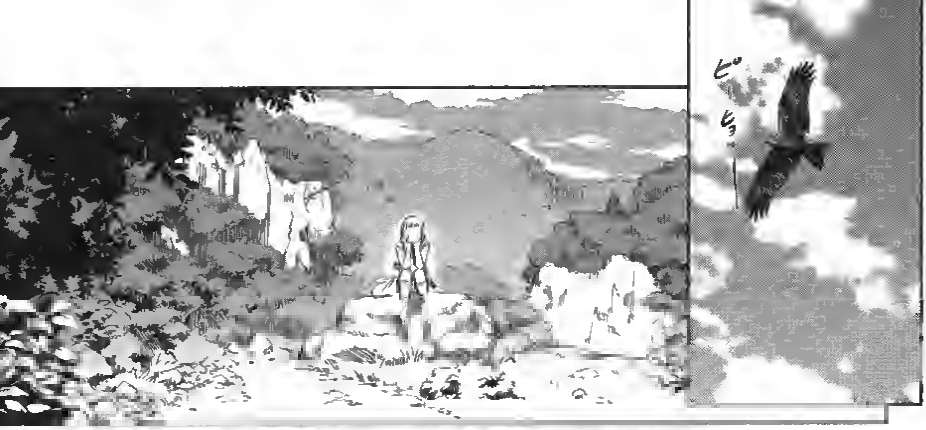
wha ?
Look what you've done to my BREASTS !!!!

My breasts ....
got bigger ???
So you weren't after me, but the scroll?
How can you do such a thing !?
Is that the talent your father gave you ???
The Legendary Scroll !!

FIRST STEP!
Massage the breasts regularly and the female hormones will be released thereby promoting breast growth!
(Works best when a beloved member of the opposite sex does the massaging, but be careful to massage the left and right the same amount!)
Hooter HEAL-ING!!
And don't you worry as well...
!
All right ...
Thinking that just by having huge hooters will help you advance in the world is stupid ...
Since you are a leader, you should cheer on those peasants born with tremendous ta-tas..., Kagefusa!

W.. Wait a sec-ond!
Cut down that traitor, girls!!
She can't escape !!!
BACK UP.

I'll chase you down and take those tits back!!
Don't forget that, CHI KUSA!!!



ピ

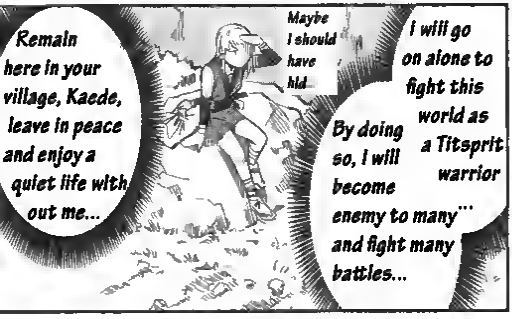
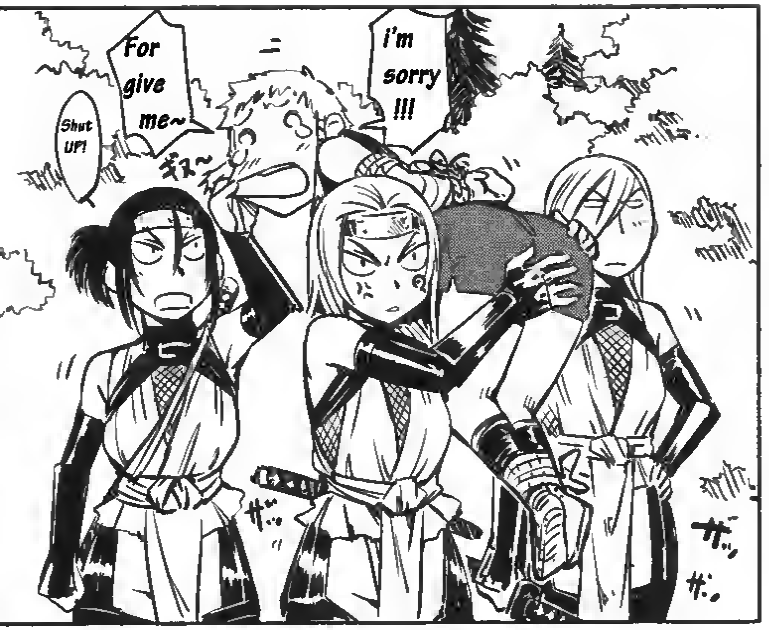
Kaede, forgive me...



Remain here in your village, Kaede, leave in peace and enjoy a quiet life without me...
Maybe I should have hid
I will go on alone to fight this world as a Titsprit warrior
By doing so, I will become enemy to many... and fight many battles...

If Chifusa leaves our village I'm sure it's by this road...
And regardless of the outcome I, Kaede, will follow you Chifusa...

Good bye!



There is no WAY Kaede is going to live a "quiet life."

Wohoo!!! Man those boobs came out fast!
I guess I'd expect a girl to go slow

Good work ....
But I have only one more request
Are you sure that this is the last time I'll be needed?
Well, our family has a matter that...
We know of a warrior who has chosen to rebel ...and we need your expertise ...
Take her info...
And if you are kind enough to cure us of our "problem"
We'll cure you of your "problem" ....
Shit...
Why do they give a fuck about an ordinary thief?

She's from Osaka by her accent, so I gave her a southern accent to match it.
It ain't right to be fightin' in front of all the people and such...

Dammit, Souta! Don't say such stupid things to our guest!

I, assasin Ame Shuji has been paid to kill you.
Clan daughter Chifusa Tit-spirits
PRE-PARE YOUR SELF!
With that sword and stance, she steps in too roughly, and to be honest
Strange ...
For someone sent to do away with a member of my clan, she really doesn't have that much skill as a swords-man...

What hidden skill can she be hiding ?

I could tell you were expecting something special from me...
but now that you can't see, what can you expect?
If it touches your eyes, the lights fade for good!
And one drink can kill ten thousand men!
Because I've learned the Titspirit black magic technique: LETHAL LACTATION!
Can't ... See...

Ain't you somethin' to not have your eyes rot out from my milk...
Every thing's cloudy ...
Hard to read her moves...
Better to give up trying to read her
I can read the sword with out sight!

You really are the best sword bearer of your clan!
This time you've come to close to me though! Prepare for the final shot!

However
However, in order for the lethal lactation to be effective, there neede to be something that locks it in...
Something that continues the lactation for long periode of time ...so that it never weare off...
And so...
This means that there ie a child...one that hae never received the milk of its mother...
That child ...
Should be fed by your cleansed breaets...

Well, least I didn't tear ya' up too bad..
I'm really sorry that your non got injured by me and all...
That's fine... He probably wan the one who got in the way in the first place...
Oh... You need more milk again?
うあ
おぎゃぁ〜
It's all clean now ...
Hey! Now that you're cured, i'm nure you can feed my nister...
Huh ?
Don't worry about it...
Oh, that's right.... can you do it for me ?
Uh...
Well..

She's drinking.... She's nursing from me....
Take all you can, hun, if it's all right with you..
BREAST FEEDING DEEP KNOW-LEDGE!
Use both breaete when nursing, and make sure to equeeze all milk out even if the child stops nursing...
Drink, eat, and sleep in adequate amounts ...
Make sure that even if the milk flow becomes bad you never hide your breaete, but stimulate them...
Really!?
For a cheap price an' all to, honey!
You'll get so much milk!!
Wha?
And I've got some great drugs for those boobs of yours. !

What are you going to do now?
Chifusa, honey, you kesp spreading all that knowledge that ths scroll has in it ok?
Well, I guess that's it thsn...
Kinda funny to say this, but stay healthy...!
An maybe rslax and feed that baby a lil' bit mors too ...
I guess I'll just think about my future while I'm sellin' my stuff..
Well, all my poison's gone now, so I can't go around killin' no more....

The Third
Chapter
The Mystery of "The Hidden Hooters"

My..
My stomach...

A village
All I have left is to beg for any scraps they can give me...
I haven't had a thing to eat for the last four days..
My strength is gone ....
What ?

And if any of those chasing me catch up to me now...I'm dead meat!

WAKE UP !!
Are you alright ???
Well, I'm a little dizzy but I don't think I'm injur...
AH!
Or are you hurt?
Did you simply faint?
My breasts were stolen !!
MY Breasts!
Gone !
AAAAAAH !!!

"Hiding Breasts" ?
...
Yes, that's right ...
Since nobody knows what it in, or the reason for it, we have called it the "Hiding Breasts"...
They suddenly faint, and when they finally awake, they find their chests flatter than a wall...
But there's no way that nome thing like that could happen !!
It's happening in the nurrounding villages as well...
And only to young women with bountiful breasts...

A ukiyo-e painter commemorating the passing of Edo painted my Kadai last year, as you can see....
うう
...
That was until my assistent Kadai and all of the busty maidens of this town were changed...
...and now all their chests are flat.
I too did not believe such a thing could happen ....
Perhaps their reach is extending even this far into the countryside ....
"Hiding Breasts"... could it be a Titspirits technique?
I'm sorry, village chief!
And after I had told her not to walk alone anymore, but now...
The most bitter of all is that Kadai here was going to represent our village in the festival..
We soon will celebrate the "Tit Shaking Festival"...
It really is a shame..

It's nothing... so what is this "festival" about?
Oh...I apoiogize for talking about something I haven't explained yet...
If you don't mind me asking ...what's the "Tit Shaking Festival"?
The truely busty maidens of our area compete to praise the godesses of busty and beautiful breasts...
It happens once a year in our area...
The lord of our area ordained the "Tit Shaking Festival"...
Stupid a stupid lord and a stupider people
!
W...
W O W !
This year our village was appointed to complete with anearby one...but now...
After 14 years of festivals... to have to give up this one...

PLEASE WAIT !!!
I'll be seeing you all later...
Well, I'm sure you're all very busy people soo...
ゲプ～
チャ..
Isn't it a bit SHAMEFUL to just use us to continus your quest?
But ... Miss Samurai, since you stopped and asked us for food
Ugg.
But I haven't even offered anything...
I refuse !
I SAID NO!
But if you'd just...
You want me to go to the festival right? I refuse...
THIS YEAR'S COMPETITORS IN THE FESTIVAL!
STEP FORWARD !!
After all, the winning villags gets its taxes cut and also a cash prize...
And to be totally honest with you, I really don't have any problem with awarding you the cash prize!!
...

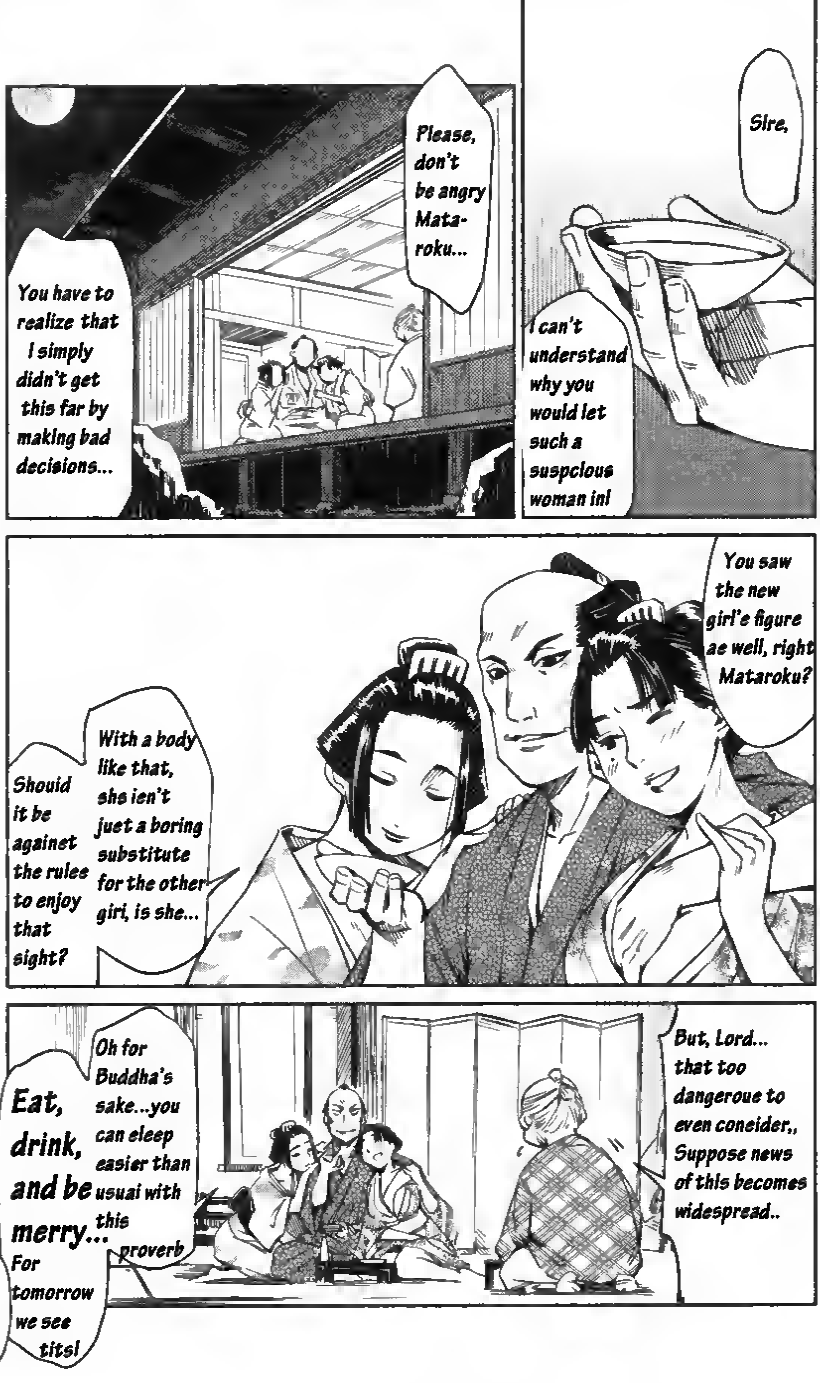
Repre-sentative of Nyuuji Village FOR WARD!
AND NEXT...
Repre-sentative of Yachibe Village... STEP FORWARD!

I've never seen that girl before... Who is she?
Yotahachi ...
Hm ..
This young lady's name is Chifusa..
She comes from Tanima (cleavage) Village at the edge of our eres....
しこ3
もご?
Yeah, and uh..
She's staying in my village, beacuse ...
She'll soon be married to one of our men...
Stop making shit up, Yotahachi!
There is no way thie new girl can compete!
SHUT YOUR OLD CRUSTY YAP! No one told us she could or couldn't come!
Hmm ...

Stop now, Matarokuu !!
BUT MAGIST-RATE!!
And since your granddaughter Toyo and her "talents" are untouched by this curse...avoid the lord's anger by competeing in the festival!
And it goes without saying that Yotahachi's village of busty women have been the hardest hit ...
I, as the manager of this are, take some resonsibility for the continuation of the "Hiding Breasts"...

AS THERE ARE TWO OAYS REMAINING UNTIL THE FESTIVAL, BOTH WOMEN SHALL PREPARE THEMSELVES ANO THEIR BREASTS FOR COMPETITION!
BY IMPERIAL OECREE I OFFICIALLY RECOGNIZE BOTH WOMEN AS FIT TO COMPETE IN THE "TIT SHAKING FESTIVAL!...

FOR THE SATISFACTION OF YOUR FEUOAL LORD'S EYES ANO LUST BE PREPAREO TO DO BATTLE !!!



Sire,
I can't understand why you would let such a suspcious woman in!
Please, don't be angry Mataroku...
You have to realize that I simply didn't get this far by making bad decisions...
You saw the new girl'e figure ae well, right Mataroku?
With a body like that, she ien't juet a boring substitute for the other girl, is she...
Shouid it be againet the rulee to enjoy that sight?
But, Lord... that too dangeroue to even coneider,, Suppose news of this becomes widespread..
Oh for Buddha's sake...you can eleep easier than usuai with this proverb
Eat, drink, and be merry... For tomorrow we see titsi
...

I'm telling you that the magistrate is letting a potentially dangerous woman in!
But if you insist, it will cost you 1/10 of your village tax reduction...
That's fine with me!
And all YOU have to do is win tomorrow, right?
Well, then... go to work...

Breast Blade

You know ths power of Titspirits as well..

Cutting down ths breests of all the local girls....
And taking that Mataroku's money as reward...
Woman... your egility is remarkeble. I can tell you are no ordinary bitch.

And with your hair down, you look very much like someons familiar to me...
YOU TRAITOR TO THE TITSPIRIT CLAN!!!
And with you bsing both the unneeded partipant of the festival
And ths target of a clan's ... hit, two birds with one stons...

Great shape and the kind of knock-out volume that fits the term "bakunyuu" (huge tits)...Wowza!
And tits of a smaller size and volume....
Yet even with that downside, they are definite "Binyuu" (beautiful tits)..
おおおおおおお
I expect a heated contest from you two...or should I say four ...
BEGIN!!
The assasin never returned ...
How did she escape him...she looks totally untuuched!!
No, I'm fine.
What's wrong magistrate...you look ill..

Whoops
....
yikes!

That other girl's breasts are just too huge...
HOW THE HELL DO I DO THAT ???
Chifusa! Size is your enemy in this battle! You need to appeal more to the gods of the breasts!!
This is lookin' bad, guys ...GO TO PLAN B!

YOU FOOL !!!

them falling out naturally !!! It's not the same at all!!!!
Don't think just SHOWING your tits is as good as...
Don't you think I know what a weak piece of shit you are?
!!
BRING THEIR MAN HERE!
Wait!
That girl isn't even a member of their village!
STFU!
She shouldnt even be here!!!

!!!

Awawawa.. Lord, I don't know anything about this man and the "Hiding Breasts" whatever it is..
Well!
Yotahachi.... Have you ever heard of the warriors with the power of the Titspirit??
No...

You used this man to take the boobs of all these well-proportioned young ladies... KILLING 10,000 MEN IS A WORSE CRIME!!!
You were so set on winning this little prize that you came up with this whole "Hiding Breast" crap....

I also expect a long and drawn out confession from this bastard of a magistrate about his hand in this!!

Well it seems as though this group has learned how to separate the breast from the body by sword, without hurting flesh...
So you're saying ths breasts of our ladies were taksn by that fellow?
Well, actually, I have heard rumors about them, but I never expected Mataroku to do something so vile as to employ them...
And I still can't believe it, really..
It is said that if that scroll is used, the Bakufu would become stronger and shake the island of Japan, yes, sh...shake... shaaaks....
Yes, it is also said that they have a secret scroll that describss everything about big and bountiful breasts..
Hsh, I'm eorry but my eyes wander when I talk... I seem to have said too much, the rest is secret...
Stop looking at me like that while you're talking!

When you dragged that assasin to my castle last night, I was surprised...
Young lady.
ぱん

I really am in love !!!
Un beat able TITS!
Beaut- iful face and those ...
You were able to defeet him and bring him to me with that...
Even though the Titspirit sword style is formid- able...
Once you get tired of me you are free to leave whenever you wish...
Pretty PLEASE ?
I beg you !
Would you become my wife...or well even being near me would by far be enough..

I believe "Tit-stealing" is the correct term? The group did that by using the magistrate as a pawn in their evil plot!
Well, there is no real way the Titspirit group can challenge the bakufu...
What will you do with that assassin and Mataroku and the rest?
I guess not
Don't take me for a fool! I never lie about the tits I see!!
To be honest the magistrate was breaking laws left and right anyways.... He was one shake away from being caught!
!!
The assassin and the magistrate will never see the sun again. Mataroku will be punished severely...
But there will be no forgiveness for those who corrupt the tits of others!
Was it because Mataroku was doing wrong that you made your choice?
Your decision at the festival
But Lord?
Yes?

You need to see who this Chi-fusa real-ly is!!
We found a secret paper in the assasins stuff!
LORD !!
Who cares? Put it away some where...
Whaaat Calm Down...
Titspirit's leader's daughter- Chifusa Stoie secret scroli. Wanted dead or alive.
!!!!
We need to get someone to find her as soon as ....
Who cares?
What?
She has the scroli with the power to make breasts bigger. The bakufu needs this!!!

The giri drawn here has no resem biance...
i only remember one thing: the boobs.
And that's all...
But now i totally understand...
why she had the power of MAGiC BREASTS!

What are you saying? Simply get healthy again, live long and watch your store prosper as you should!!
...
So, I guess what I'm saying is that regardless of it all I am at peace. I can die and still expect Daikokuya to prosper..COUGH

Phew ...
Staying here really does make it easy to live, even if there are people after you....
So I'm out of here tomorrow !
ガサ
ゴソ
it's still kind of weird that Takasuke's ....
his succession was announced BEFORE his marriage was ....
ス

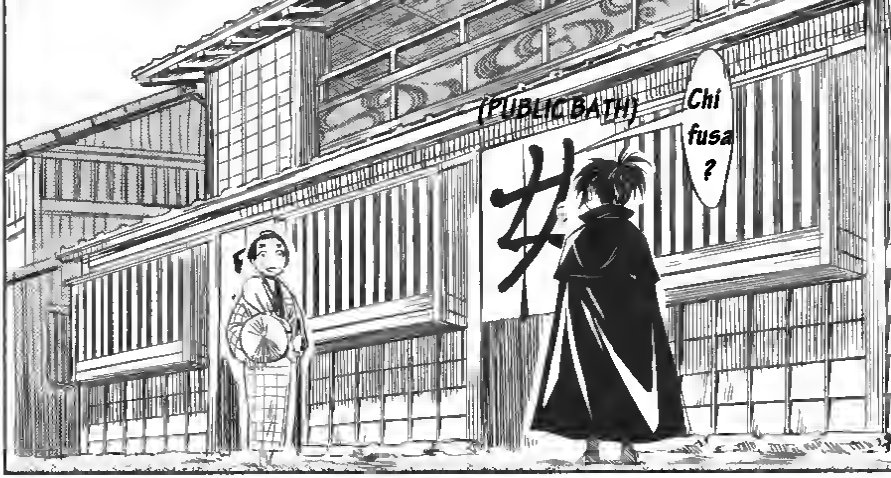
But what is she doing at a time like this, this late at night?
Oh, it's just Senae...
Taka suke, sire.

You really DID come to see me...
Sanae ....
ギュッ
Ah...
Taka suke ...
We simply must stop meeting like this...we can do this anymore!
So this is why ....
Well, I guess I'll have to forget about this li'l affair...
ええっ!?
WE WILL ELOPE !!!
Wha?

Taka euks ???
My father could never accept you as one that I could ever love...
He was so scared he forced me into marriage with anothsr woman...
But Takasuke, you'll inherit the family business, I'm only a common servant...
If my father wents it, my little brother Takayoshi can taks the storsl
But sire, even you undsrstand that Tekayoshi is far too young to taks up the business, your father simply rushed bscause hs ie eick, and well..
You should marry TOMi.... she's a good woman...
Sanae ....

You'll need your rest for tomorrow ...
I hope you'll live happily....
SANAE !!
Damn, what a disaster!

Really?
Thank you for your six years of hard work....
スッ
I hope that this will express all the thanks I have for your work here...
Sorry, but this is for the future of the store ...
Good bye ...
I will treasure it with thanks to you...
(Sanae is out of a job now)



(PUBLIC BATH)
Chi fusa ?

I had never imagined that we'd meet at a place like this
Yes..
I ventured to bid you farewell at your room, but when I arrived, you had already left...
Sanae ?
Why are you dressed like that, Sanae?
Well, I guess I'm taking a vacation... I thought I'd clean up... and go back home to my village...
Is that so?

May I sit here?
Ahhh ...
Well, Sanae, about Taka suke...
You knew of it ...?
チャポ
To be honest, I guess i'm just too low, being a servant ...
But to be honest, even Tomi...
Well, even Tomi was a servant like me except for her.. her big boobs and all..
And now with a samurai like you supporting the advent of their marriage...

Some day ...
Someday, maybe if i have boobs like you and Tomi, maybe then... maybe finaliy...
Takasuke will see me ae good enough of a woman to be acceptable ...
...
しょぼーん
Depressed
Ah!
I should have oever said such things!
It's ok...
Chifusa, you certainly are a strange woman..
Wh.. Why is that?
Even though you have big breaete ae those, they almost seem as weak points on you...

"Tits make the world go round."
If I just had the breasts of you and Tomi, everything would be...
Tits Samurai !!!
Is this why life is so easy for me?
Hey! Shut up you little perv!
Ah, I don't care.
Heavy hangers have a higher honor and history..
Mosquito bites mean misery...
There's Tomi...
Why is she here? Before her marriage?

Here's enough for this month...
You've done well ...
Of course, i worked my ass off for 5 years as a servant at Daikokuya, and now I'm to be the wife of the future owner!!!
Now I just have to kill off that old fart with this poison and make it look like sickness....
They're sabotaging Daikokuya!!
And then as Taka-suke's one and only source of advice...

Don't you let Takasuke to find out and run off after that other servant girl...
Do your job, and don't take any chances !!!
You're sending someone to take care of her right?
Yeah it seems that the old man sent her back with a bunch of money...
That's nothing compared to the money you'll get raiding his company!!
!!
Good. well it's time for you to get back and support our plan... goodbye!
Funny you mention that, i used my "power" to get that girl fired and sent back to her hometown ....

SANAE
!!!!!

A lot of gold...

Marriage ceremony...poor SANAE!!!

Takasuke
.....

Let us consummate...
...
You're still thinking about Sanae aren't you?
I'm ... sorry ...

But you have to realize, that she left for the good of the store, just as I remain, so that the store will ...
I know how you are feeling now...
SHUT THE FUCK UP !!!

This servant girl Tomi was simply put here to get close to your father and then to finally ...
to finally marry you and after becoming your bride...to sabotage your company..
Chi fusa?
I WILL CUT YOU DOWN NOW!!
AND EVEN IF GOD FOR-GIVES YOU I, CHIFUSA, WILL NOT!
Well, here's your "dis-ease"...
You fool!!! Are you saying that some-how I caused the father's disease?

Is this true? Tomi?
Poison ???
That's not it! She also had Sanae fired to continue the plan....
and she would be killed by bandits and it would all look real ...
SANAE WOULD !!!
Ug..

Whistle
Who is this???
impos sible !!!
Even the empioy-ees are..

If you force us into this position, I guess we'll have to kill all the fucking workers here and at least take the safe home with us!!
impossible my ass! We've been working at this for the last five years!!!
KILLLL HERRR !!!

You can either let Takeuke live, admit your foolishness, and pay the price, or .
you can choose to be cut down by me, Chifusa...
TOMI!!!
It's over... prepare yourself ...

Shut uo, you whore! I can take him as hostage, and live my life as if this never happened with breasts like mine!!!
You'll never catch me, even in death!!
So maybe if you lost those breast of yours, then what would happen?
NO WAY..
Those who control the "Tit-spirits" ??
?
Maybe you too have heard of that secret group of people...
OH YES !

The sword of Titspirits only tears away...
the breasts from the body!!
THERE'S NO WAY!!
NO WAY!

CHIFUSAI TOMI!!!!

Tomi !!!
But ! wasn't even cut!!
?
ああああ
シュウウウ

Ahhh hh hh h h ...
My Breasts are fading AWAYYY!
ニュウゥゥ
Chifusa what happened ..?
Your breasts, (grew larger?)
...
No, nothing happened I'm fine...
I guess I don't just cut away their breasts but they seem to get sucked into my breasts as well!

HANG IN THERE ...
SANAE !!!
SA-NAE !!!
The local samurai clinic ....
Taka ... suke?
Ahh.
PLEASE FORGIVE ME!!!!
FOR GIVE ME!!

And even though I've given Sanae some horrible memories ...
Well, I guess ae I have no other, I will give it over to them...
Even though tits make the world go 'round...
Fry
Fry
And there are many in this world that are working to finish off Daikokuya...
I will recognize Takasuke and Sanae's marriage ....
!
Well, to tell the truth, once I get this damn poison out, I'll work again!!
That's right, because if we keep travelling forward, we'll all be ok, somehow...
Really ???
But it's up to my son and his new bride...
And I've heard that there ie another store nearby whose business I've ended...
